

# Make A Difference Day

**Saturday  
October 23, 2004  
1:00 p.m.**

## Making a Difference with Animals Helping People Help People

A cooperative effort between non-profit groups Friends of Long Beach Animals, Winners on Wheels and The Samuel Turner Foundation as well as citizens of the greater Long Beach Area is being made to visit the Spinal Cord Injury Unit at the Veterans Hospital in Long Beach. They will bring therapy animals, hope and cheer as well as gifts. Friends of Long Beach Animals, a caring organization dedicated to the welfare of animals in the community is arranging therapy animal participation. The hope and cheer will be provided by the zealous group of wheel chair enabled children of Winners on Wheels. The Samuel Turner Foundation, committed to providing services and support to people and animals in need, is coordinating citizen and local business participation as well as local celebrity appearances. This unique coupling of animals and special children bringing happiness to others is moving and meaningful.

**Together we can make a difference!**
